## Sailing Itinerary

### **DAY 1** *Depart marina at 9am*

As you board Meander K you will be greeted by your Skipper who will give you a tour of the vessel and show you to your assigned cabin. Once all passengers have boarded and settled in, after a short safety brief, it is time to set sail and head towards Africa.

We will sail across the Gibraltar Straits to Ceuta (a Spanish colony in Morocco). Whilst sailing you may want to learn the basics of sailing. Your experienced Skipper will be able to respond to your queries and let you take the helm and set the sails.

Once in Ceuta you can take a walk to the town center where you can visit the famous Royal Walls of Ceuta and enjoy tapas in a restaurant or a drink at a bar.

### **DAY 2, 3, 4, 5 & 6**

From Ceuta we will set sail to Marina Smir in Morocco where you can visit the beautiful town of Tetouan. Then we will head towards the Costa del Sol where our first stop will be at the pretty marina of Estepona. The following days will follow a similar pattern with other ports of call such as Duquesa, Sotogrande and Gibraltar.

### **DAY 7** *Depart back to Alcaidesa Marina at 10am*

This day will begin with a leisurely breakfast. Next we will set sail back to Gibraltar Bay where there is always the chance of spotting dolphins and whales.

Arrive back to the marina at around 5.00pm. Disembark.
